

## DRAINING VALVE LOCATION

ORION SPA

To help you clean your spa, we've added a draining valve.

### HERE'S WHERE IT'S LOCATED ON THE ORION SPA:

To access it, face the keyboard and look for the drain on the outer **right-hand corner**, at floor level.

## DRAINAGE FREQUENCY

You should drain and refill your spa every one to three months depending on usage.  
You should also replace the filter cartridge and wipe down the spa.
