

PÜR SPAS REPLACEMENT FILTER CARTRIDGE

REFERENCE GUIDE

THE ORIGINAL CARTRIDGE FOR FEELING AND SPARTAN IS #105-0509.

Life expectancy of filter cartridges is about two years, depending on the spa usage.

You can get a new cartridge at your local spa dealer.

If the original cartridge is not in stock, please look for the following replacement:

| PLEATCO | UNICEL | FILBUR |
|----------------|---------------|----------------|
| 4 ¾ X 9 ¾ | 4 ⅝ X 9 ¾ | 4 ⅝ X 9 ¾ |
| PGS25P4 | 4CH-24 | FC-0131 |

IMPORTANT

For the Orion,
the cartridge product code
is #105-0566.

REMEMBER

- You should remove and clean the cartridge periodically (twice a month) to keep it working effectively.
- The maintenance steps are included in your owner's manual.
- If you wish to use the spa while cleaning the cartridge, it is recommended that you have two cartridges and use them alternately.
